Residential heating oil price increases

The average retail price for home heating oil rose 2.3 cents from a week ago to $2.85 per gallon. That's up 44 and a half cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region rose 2.2 cents from last week to $2.78 per gallon, up 42.4 cents from a year ago.
