

Advanced Biofuels Workshop

August 1, 2012
Contact Information

Hosts:

Mindi Farber-DeAnda
Team Lead, Energy Information Administration,
Biofuels and Emerging Technologies
Mindi.Farber-DeAnda@eia.gov
202-586-6419

Vishakh Mantri, Ph.D, P.E.
Chemical Engineer, Energy Information
Administration, Biofuels and Emerging
Technologies Team
Vishakh.Mantri@eia.gov
202-586-4815

Presenters

Biofuels Year in Review

Anthony Radich
Analyst, Energy Information Administration
Anthony.Radich@eia.gov
202-586-0504

Biofuels Outlook

Terrence Higgins
Hart Downstream Energy Services
thiggins@hartenergy.com 703-891-4815
703-891-4815

Sustainability of Biofuels

Peter Ryus
CEO, RSB Services Foundation
pryus@rsbservices.org
703-533-7725

Biofuels Programs at DOE

Zia Haq
Senior Analyst, Office of Biomass Program,
Department of Energy
zia.haq@ee.doe.gov
202-586-2869

Commercialization of Cellulosic Biofuels

Paul Kamp
Chief Development Officer, Leifmark/Inbicon
Biomass
pkamp@leifmark.com
773-583-5923

Commercialization of Advanced Biofuels (MSW) to Liquid Fuels

Steve Gerber
VP Business Development, Fiberight -
Blairstown Operating LLC
sgerber@fiberight.com
434-848-8026

Brazil: A Model for a US Biofuel Industry? Lessons Learned

Robert Kozak
President, Atlantic Biomass Conversions, Inc.
AtlanticBiomass@aol.com
301-644-1396

Brazilian Ethanol Outlook

Leticia Phillips
Representative - North America, UNICA -
Brazilian Sugarcane Industry Association
leticia@unica.com.br
202-506-5299

Implementation of Renewable Fuels Standard in Liquid Fuels Market Model

Michael Cole
Analyst, Energy Information Administration
Michael.Cole@eia.gov
202-586-7209
