

¹ Implicit Price Deflators for SIC 37 are the weighted average of the deflators for SIC 371 and SIC 372-379 based on Gross Output.

² For 1985, individual deflators are not available for SIC 36 and 38, and the combined deflator for "Electronic equipment and Instruments" (SIC 36, 38) is used.

Note: Deflators were rebased from 1996 to 1998 by dividing by the 1998 deflators.

Sources: Calculated from data obtained from Kristen T. Hamdan, Federal Reserve Board, 03/28/02; 1967-01 average data: Federal Reserve, Industrial Capacity and Capacity Utilization G.17 (419) Supplement http://www.federalreserve.gov/releases/g17/Current/g17_sup.pdf (opens a new window); and GO Deflators for double-deflated industries in Bureau Economic Analysis.
