Worldwide Total for FRS Companies	192522	25085	1349	16092	202864	156

¹ Includes revisions of previous estimates, improved recovery, and extensions and discoveries.

² The data reported for the FRS companies do not include royalty interest. Total U.S. industry data include the royalty interest portion of the FRS companies' reported amounts. Therefore, the data presented in this table for the FRS companies and for total industry are not directly comparable. However, an estimate can be made by multiplying the FRS companies' W = Data withheld to avoid disclosure.
