<sup>a</sup> Positive numbers denote net receipts; negative numbers denote net deliveries.

**Source:** U.S. Energy Information Administration (EIA), Form EIA-176, *Annual Report of Natural and Supplemental Gas Supply and Disposition*, and the Office of Fossil Energy and Carbon Management, *Natural Gas Imports and Exports*.

**Note:** Totals may not equal sum of components because of independent rounding. Alliance Pipeline moves saturated natural gas from Sherwood, North Dakota, to the Aux Sable processing plant in Illinois. We adjusted the Alliance volumes to remove volumes of natural gas liquids reported by Alliance. The import volumes of dry natural gas are comparable with other volumes of pipeline imports.
