

## **Residential propane price decreases**

---

The average retail price for propane on April 8th was \$2.57 per gallon. That's down 9-tenths of a cent from the last week in March, based on the residential heating fuel survey by the U.S. Energy Information Administration. Propane prices in the Midwest region were \$2.07 per gallon, down 1.5 cents from March 25. Propane prices will be published monthly from April to September.
