Residential heating oil price increases

The average retail price for home heating oil rose 1.4 cents from a week ago to \$2.38 per gallon. That's down 4.9 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region rose to \$2.32 per gallon, up 3 cents from last week, and down 5.2 cents from a year ago.
