Utica Region
Drilling Productivity Report

**Utica Region**

**New-well oil production per rig**
- Barrels/day
- Rig count

**Utica Region**

**Legacy oil production change**
- Thousand barrels/day

**Utica Region**

**Indicated change in oil production (Aug vs. Jul)**
- Thousand barrels/day

**Utica Region**

**Oil production**
- Thousand barrels/day

**Utica Region**

**Natural gas production**
- Million cubic feet/day

**Utica Region**

**Legacy gas production change**
- Million cubic feet/day

**Utica Region**

**Indicated change in natural gas production (Aug vs. Jul)**
- Million cubic feet/day

**Utica Region**

**Oil production**
- Thousand barrels/day

**Utica Region**

**Natural gas production**
- Million cubic feet/day

**Utica Region**

**New-well gas production per rig**
- Thousand cubic feet/day

**Utica Region**

**Rig count**
- Rigs

**Utica Region**

**Monthly additions from one average rig**
- August
  - Oil: 7,061 thousand barrels/day
  - Gas: +186 thousand cubic feet/day
- July
  - Oil: 6,875 thousand barrels/day

**Utica Region**

**Oil month over month**
- +9 barrels/day
- +9 barrels/month

**Utica Region**

**Gas month over month**
- +186 thousand cubic feet/day
- +186 thousand cubic feet/month

**Number of rigs**
- (3)
- (2)
- (1)

**Oil**
- 271 barrels/day
- 262 barrels/month

**Gas**
- 7,061 thousand cubic feet/day
- 6,875 thousand cubic feet/month

**Monthly**
- Additions from one average rig
- Drilling data through June
- Projected production through August

**July 2015**

**Monthly additions from one average rig**
- August
  - Oil: 7,061 thousand barrels/day
  - Gas: +186 thousand cubic feet/day
