**Anadarko Region**

**Drilling Productivity Report**

U.S. Energy Information Administration | Drilling Productivity Report

---

**Oil**

- **January**: 778 barrels/day
- **December**: 794 barrels/day

**Gas**

- **January**: 3,961 thousand cubic feet/day
- **December**: 4,084 thousand cubic feet/day

**Indicated change in oil production (Jan vs. Dec)**

- **+32**
- **-30**
- **+2**

**Indicated change in natural gas production (Jan vs. Dec)**

- **+162**
- **-193**
- **-31**

---

**Oil production**

- **Oil +2** thousand barrels/day month over month

---

**Gas production**

- **Gas -31** million cubic feet/day month over month

---

**New-well oil production per rig**

- **Rig count**
- **1,500** barrels/day

**Legacy oil production change**

- **thousand barrels/day**
- **100**
- **50**
- **0**
- **-50**
- **-100**

**Natural gas production**

- **million cubic feet/day**
- **600**
- **300**
- **0**
- **-300**
- **-600**

---

**Oil +2** thousand barrels/day month over month

---

**Gas -31** million cubic feet/day month over month
