Bakken Region
Drilling Productivity Report

Oil -3 barrels/day
month over month
2,388 April
2,391 March
Barrels/day

Bakken Region
New-well oil production per rig
typer/day

Bakken Region
Legacy oil production change
thousand barrels/day

Bakken Region
Indicated change in oil production (Apr vs. Mar)
thousand barrels/day

Bakken Region
Oil production
thousand barrels/day

Bakken Region
Natural gas production
million cubic feet/day

Gas -3 thousand cubic feet/day
month over month
3,191 April
3,194 March

Bakken Region
New-well gas production per rig
thousand cubic feet/day

Bakken Region
Legacy gas production change
million cubic feet/day

Bakken Region
Indicated change in natural gas production (Apr vs. Mar)
million cubic feet/day
