Eagle Ford Region
Drilling Productivity Report

October 2022

-16 barrels/day
-125 thousand cubic feet/day

Oil production

Eagle Ford Region
New-well oil production per rig
barrels/day

Rig count
rigs

Eagle Ford Region
Legacy oil production change
thousand barrels/day

Eagle Ford Region
Indicated change in oil production (Nov vs. Oct)
thousand barrels/day

Eagle Ford Region
Oil production
thousand barrels/day

Gas production

Eagle Ford Region
New-well gas production per rig
thousand cubic feet/day

Rig count
rigs

Eagle Ford Region
Legacy gas production change
million cubic feet/day

Eagle Ford Region
Indicated change in natural gas production (Nov vs. Oct)
million cubic feet/day

Eagle Ford Region
Natural gas production
million cubic feet/day

Projected production through November
