Utica Region
Drilling Productivity Report

**Oil**
- New-well oil production per rig (Utica Region)
- Legacy oil production change (Utica Region)
- Indicated change in oil production (Aug vs. Jul) (Utica Region)

**Gas**
- New-well gas production per rig (Utica Region)
- Legacy gas production change (Utica Region)
- Indicated change in natural gas production (Aug vs. Jul) (Utica Region)

**Drilling Data Through June**
- Projected production through August

**Additions**
- From one average rig

**Month over Month**
- Oil: +12 barrels/day
- Gas: +76 thousand cubic feet/day
