

Residential heating oil price increases

The average retail price for home heating oil rose two and a half cents from last week to \$4.66 per gallon. That's up \$1.27 from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region are at \$4.63 per gallon, up 2.4 cents from last week and up \$1.31 from a year ago.
