## **Residential heating oil price increases slightly**

---

The average retail price for home heating oil rose by half of a penny from last week to \$2.91 per gallon. That's down 31.1 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region are at \$2.83 per gallon, down half of a penny from last week, and down 34.8 cents from a year ago.

This is Amerine Woodyard with EIA, in Washington.
