

## **Residential propane price increases slightly**

---

The average retail price for propane is \$2.70 per gallon, up six-tenths of a cent from last week's price but down nine-tenths of a cent from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Propane prices in the Midwest region averaged \$2.29 per gallon, unchanged from last week but down five and a half cents from a year ago.
