

## **Residential propane price decreases**

---

The average retail price for propane is \$2.67 per gallon, down seven-tenths of a cent from last week's price and down 6 and a half cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Propane prices in the Midwest region averaged \$2.26 per gallon, up half a cent from last week but down 11.8 cents from a year ago.
