COMMERCIAL BUILDINGS ENERGY CONSUMPTION SURVEY FOR 1995
BUILDING NATURAL GAS USAGE

Consumption data are to be provided for the entire building identified on the label.

A copy of the authorization form signed by the building owner/manager is included inside.

Data may be submitted directly on the reporting form inside this folder, or in any other format, such as a computer-generated listing or a formatted diskette (if enclosed) which provides the same information and is convenient for your company.

Whatever format is used to submit data, answers to all questions on this form must be included with the submission.

For additional information on how to complete the form, see the separate Instructions.

This report is mandatory under Public Law 93-275, as amended. For the provisions concerning the confidentiality of information submitted on this form and the sanctions, see the General Instructions. Public reporting burden for this collection of information is estimated to average 30 minutes per response including the time of reviewing instructions, searching existing data records, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Energy Information Administration, Office of Statistical Standards EI-73, 1000 Independence Avenue SW, Washington, DC 20585, and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503.

Unless otherwise specified, these data collection forms are due by March 1, 1996. Please use the enclosed self-addressed, postage-paid envelope to return the completed forms, or mail the forms to:
