

Q&A from Form EIA-8A Information Session

Topic: EIA Respondent Portal	
Q:	When will respondents receive the portal registration email?
A:	Respondents will receive the email to register for the portal by January 13, 2022.
Q:	Will respondents have to register for the new portal or can they use their previous login information?
A:	Respondents will have to register for the new respondent portal, as their login credentials for the Data xChange Portal will not work in the new system.
Q:	Will the slide deck be available to those on the call?
A:	Yes, the slide presentation as well as an audio version will be posted on the EIA website. https://www.eia.gov/survey/
Q:	Can a facility have multiple respondents? If so, can all of the respondents view submissions from each respondent? Or can they only view their own submissions?
A:	Yes, multiple respondents from one company can register for the portal, and will be able to access the EIA-8A webform to submit. However, only one respondent can access a specific webform at a time.
Q:	Will the company submission history be available in the new portal?
A:	For all submissions in the new EIA Respondent Portal, you will be able to view all your submissions in your Completed folder. However, you will not be able to view past survey submissions prior to 2021 cycle.
